Dear Parents and Guardians,

With this letter you are receiving the tuition rates for the coming 2011-2012 school year. While Pilgrim continues to be an excellent value for the cost of tuition, it has become necessary to increase the tuition and Required Services Hours rates for the coming school year. Please also notice that for those who pay the Registration Fee by March 28th, this fee has been reduced for a limited period of time (*red print*). Beginning March 29th the Registration Fee (*blue print*) will return to its current rate, and this is due by April 18th.

One of the best ways to ensure a financially stable situation would be to operate as close to capacity as possible. You may have friends who would be interested in enrolling in an excellent school - **WE HAVE ONE!** And always remember, any parent who recruits friends, neighbors, relatives, and acquaintances to successfully enroll at Pilgrim, will receive the benefit of a month of free tuition (preschool through 8th Grade). Please call our office to hear the details of this special tuition bonus!

For some of you, the cost of tuition is beyond your means. We hope to still be able to serve your family. For this reason our Board of Education has initiated a procedure for *Tuition Assistance*. We want all of our current families to be able to continue at Pilgrim Lutheran School. If you are unable to meet the tuition requirements, please contact our office to learn more about this possibility, or to apply for the *Tuition Assistance Plan*.

I hope that you have come to know Pilgrim Lutheran School as a community where your children are cared for and are prepared to meet the expectations of the future. It is our prayer that with your support, and with the support of other South Bay families we will continue to care and prepare for many generations to come.

In His hands,

Peter Halvorson
Principal – Administrator
