PILGRIM LUTHERAN CHURCH PRESCHOOL • CHULA VISTA, CA

At Pilgrim Lutheran School we help children and their families know Jesus as their Savior, serve God and one another in their daily living, and develop and use the abilities God has given them.

Welcome to our new school year. ! We are very excited about this year as God continues to bless us with wonderful children and their families. We are still in the process of obtaining our license to expand our program into the house and to be able to accept children at 18months old. Please pray that we get through all of the "red-tape" involved. I will keep you updated with any and all information as it comes. If you have a contact with any company that installs/works on fire systems please let me know asap as we will need help in that area. Also, we will be painting the little house soon and are looking for volunteers to help, date TBA. I know that God will steer us through all that needs to be done and in His time we will open our new program. Many Blessings, Ms. Gina

Preschool Orientation
The Preschool will hold it's Back to School night on Wednesday, September 14 @ 6:00pm Sorry we are unable to provide child care for this meeting, adults only. Meet at 6:00pm in the Sanctuary, Classroom meetings immediately following. We hope to see everyone there!

New "Bible Time" Curriculum.
I am very please to announce that we will follow a new curriculum for Bible Time this year. We have chosen to use Play-n-Worship, designed by Group. Each week your child's class will focus on a bible story and a bible verse, this will be supported by classroom activities and songs. We are very excited to begin. I will list the focus areas in each newsletter.

Hot Lunch
Hot Lunch forms are available in Ms. Gina's office. We are using a new company this year, California Catering Co. The teachers tested it last week and it was absolutely delicious. The preschool children will be given a smaller portion and are \$4.25 each. September orders are due no later than September 8th, please put your form and check in an envelop and place it in the folder next to the sign-in/out sheets.
